

TESTIMONIALS

"Time and time again – we're always thrilled to work with RepuCare. Their quality of service and commitment is above the rest. Our success is possible because of the time and dedication RepuCare has shown to us."

— RN & Director of Utilization Management

"I have enjoyed working with this great team. We have definitely been like a family in such a short amount of time. Instead of saying goodbye, I would hope to see you later. It has been a privilege being a part of RepuCare."

— Former RepuCare Nurse

"Progressive thinking with management spreading out new ways and adding to the business... There is a lot of growth potential with this company."

— Case Manager, Complex Case Management

"My favorite thing about working at RepuCare are the people I help on their career journey.

I have formulated business relationships, personal friendships, and a solid pool of intelligent, talented, and motivated candidates."

— Kelly Hidy, Talent Acquisition Specialist

"Billie possesses the fundamental attributes and competencies that spell the difference between leaders that change the world and those who don't."

— Deborah Collins Stephens, Leadership Development Author & Consultant

"Billie's strengths lie in her tenacity, loyalty, and commitment to get the job done and exceed customer expectations... She is a pillar to the Indianapolis community for women and their initiatives."

— Lacy Johnson, Partner, Ice Miller LLP

"We see and value your commitment to building strong relationships within the program, while delivering on difficult to find skillsets in an extremely competitive market.

We appreciate the can-do attitude, and for you all jumping at all opportunities. RepuCare has been a wonderful partner and we look forward to continuing to work with your team."
